

Make a Hare Puppet

1. Print out this sheet
2. Glue onto cereal box card
3. Add colour if you like!
4. Cut out each section
5. Make tiny holes in the circles
6. Use paper fasteners to join together
7. Tape a wooden skewer (BBQ stick!) to the back of the head, and another for the body
8. Use the sticks to control your puppet, make your Hare move! Wriggle the fasteners around until you're happy with the movement
